## Skills

I am a beginner Web Developer that is eagerly looking for hands-on experience in the field. Well experienced in Html, Css, Javascript ( familiar with frameworks such as Bootstrap JQuery/UI HandleBars React Express ). Although I am a beginner my knowledge and commitment are ever expanding . I am used to communicating and working in teams through my use of Github Slack Discord Stackoverflow. As for the backend I am familiar with the Express npm package. In terms of database management I am familiar with SQL and NOSQL languages such as ORM sequelize(sql knowledge included) the ODM mongoose(MongoDB knowledge included) etc. Additional Skills would include Adobe Premiere Pro and Photoshop. Google docs and Spreadsheet.
